Delegates are invited to submit research abstracts which the Scientific Committee will use to select either for a short communication or for poster presentations. Please find below instructions for the layout and submission of abstracts.

## ABSTRACTS INSTRUCTIONS

Abstracts should focus on one of the congress topics:

- Aligners potentials and limitations
- New technologies applied to orthodontics
- Aligners on the vertical plane: open and deep bite cases
- Aligners on the sagittal plane: Class II and Class III cases
- Aligners and transversal malocclusions
- Aligners and TADs
- Aligners and research
- Case reports
- Free topics.

Abstracts should contain no more than 350 words characters, including spaces, and must be written in English and structured in the following format:

**TITLE:** In capitals (160 characters maximum, including spaces). Do not use abbreviations (e.g. does RT-PCR represent reverse-transcription polymerase chain reaction or Real-time polymerase chain reaction?).

**AIM:** An introductory sentence indicating the objectives and purpose of the study.

**MATERIALS (or SUBJECTS) AND METHOD:** A description of the methodology, including statistical evaluation.

**RESULTS:** A summary of the results (a statements such as 'the result will be discussed' is not acceptable).

**CONCLUSIONS:** A statement of the study's conclusions.

Figures, tables and illustrations may not be included in the abstract.

## ABSTRACTS SUBMISSION

Each participant may submit up to two abstracts as a presenting author, either an oral and poster OR two posters.

Only three authors can be included on any one abstract.

All files has to be sent at the following email address: [scientific@eas-aligners.com](mailto:scientific@eas-aligners.com)

### **RADIATION PROTECTION:**

Clinical practice, recommendations, regulations and legislation regarding the use of ionizing radiation in medicine and dentistry varies between countries. Please be aware that your submission will be judged by European Standards. Reviewers may reject submissions that do not comply. The latest information regarding radiation protection in dentistry can be found under:

[http://ec.europa.eu/energy/nuclear/radiation\\_protection/doc/publication/136.pdf](http://ec.europa.eu/energy/nuclear/radiation_protection/doc/publication/136.pdf)

and

[http://ec.europa.eu/energy/nuclear/radiation\\_protection/doc/publication/172.pdf](http://ec.europa.eu/energy/nuclear/radiation_protection/doc/publication/172.pdf)

Once submitted, the abstract cannot be modified. You will then receive an e-mail acknowledgment confirming receipt. If you do not receive an acknowledgment please contact the EAS Scientific Chair through [scientific@eas-aligners.com](mailto:scientific@eas-aligners.com)

All submissions will be reviewed by the Scientific Committee prior to deciding whether or not they can be accepted in the final program. It is the submitting author's responsibility to ensure that the abstract is accurate and well written. **Only abstracts submitted by authors who have paid their congress registration fee in full by December 20<sup>th</sup>, 2017 will be published.**

When submitting the abstract, you give the scientific chair the option or not to have it published as poster / short communication.

## SUBMISSION DEADLINE

**The deadline for abstract submission is December 21<sup>st</sup>, 2017.**

Abstracts received after that date will not be evaluated.

Notification of acceptance/rejection of abstracts will be sent by e-mail to the corresponding author within 7 days after the deadline.

If you have not received information concerning the abstract by that date please contact: [scientific@eas-aligners.com](mailto:scientific@eas-aligners.com)
