# 3<sup>rd</sup> EAS CONGRESS

## INTRODUCTION

The European Aligner Society has great pleasure in inviting you to participate in our 3<sup>rd</sup> EAS Congress. Following in the footsteps of 1<sup>st</sup> EAS Congress Vienna 2016, EAS AlignerLab Vienna 2017, 2<sup>nd</sup> EAS Congress Venice 2018 and EAS Spring Meeting Venice 2019, this will be our 3<sup>rd</sup> International Congress which will be focused, once again, exclusively on orthodontic aligner therapy.

The theme of the Congress is:

### **ALIGNER ORTHODONTICS – time to meet the Challenges?**

The 3<sup>rd</sup> EAS Congress aims to build on past Congresses by inviting new and innovative speakers, to present in our unique sessions – plenary, pre-Congress courses, short presentations and seminar sessions. EAS once again aims to be the main Continuing Professional Development provider for all aligner practitioners and allied professionals involved in aligner treatment. We are convinced that the 3<sup>rd</sup> Congress and subsequent meetings will allow practitioners and companies to once again meet on a face-to-face basis.

# CONTACT & GENERAL INFORMATION

**CONGRESS DATE:** 25 - 27 March 2021

**CONGRESS VENUE:** The 3<sup>rd</sup> EAS Congress will take place at the Hilton Malta, which has meeting space for up to 1200 delegates, an exhibition space for at least 36 companies.

# WELCOME MESSAGE FROM EAS PRESIDENT

The European Aligner Society was formed in 2014 with the aim to become the leading scientific society providing information and education on aligner therapy. The importance of improving education in the field of aligner therapy is underlined by the growth and interest among clinicians and patients in the last two decades. The first Congress in Vienna 2016, under the former president Dr Graham Gardner, was a great success in terms of scientific program, clinician's attendance and exhibitor's presence. This was followed by an AlignerLab in Vienna 2017, a second Congress in Venice 2018 and a Spring Meeting in Venice 2019, all under the then President, Dr. Francesco Garino. Each event has brought more attendees and greater interest in EAS and its aims.

The Board of EAS aims for the 3<sup>rd</sup> EAS Congress in Malta to raise the bar in terms of quality of lectures, and associated courses. A scientific program is planned to present information of the highest standards in orthodontic aligner treatment.

The Congress, which will take place in the beautiful island of Malta, is planned to provide the most complete scientific and clinical education to orthodontists working with aligner therapy throughout not only Europe but all over the world.

EAS is committed to providing comprehensive information on aligner therapy, thus enabling clinicians to enhance their knowledge and treatment choices when undertaking aligner treatment for their patients.

EAS recognises that the orthodontic aligner industry and allied companies are crucial in helping make EAS the gold standard for meetings on aligner orthodontics, so that excellence, best practice and research can be enjoyed by EAS members and non-EAS delegates. EAS works closely with the aligner companies to ensure that the latest technology is available.

Following the experiences of our past meetings, you will find in this Exhibition Invitation and Prospectus, the different levels of sponsorship, exhibitor floorplan and other sponsorship opportunities to help deliver your company messages to the EAS audience.

Together with the entire EAS board I look forward to welcoming you in Malta!

Dr Alain Souchet  
EAS President  
2020/2021

# BENEFITS OF SUPPORTING THE EUROPEAN ALIGNER SOCIETY

## ABOUT EAS

The European Aligner Society is a non-profit members association. It came into existence in May 2014. EAS was set up to provide information on orthodontic aligner therapy to clinicians and public through effective communication, and education. Information will be underpinned by promoting high standards in orthodontic aligner treatment and through research.

### Publications, website and media:

- Providing a source of reliable up-to-date information on orthodontic aligner therapy and orthodontic aligner practice for patients, the public, health authorities and dental professionals through publications, information leaflets, the Society's website, the media, and in responses to personal enquiries.
- Promoting the highest standards of patient care and sharing information about orthodontic aligner therapy with patients and parents, political bodies and professional organisations.
- Providing active guidance and advice on orthodontics to individual members of the public when requested.
- Contributing to the publication of newsletters and a Journal, specific to aligner therapy that will enhance continued professional development of aligner clinicians.

### Conference and Clinical Meetings:

- Providing continuing professional education for orthodontists through the European Aligner Congress which will evolve into an annual or bi-annual event.
- Developing electronic learning opportunities for the clinicians undertaking aligner treatments.
- Developing electronic Continuing Professional Development (CPD) for EAS members. In an increasingly demanding working life, electronic learning opportunities will allow busy clinicians to conveniently update and advance their knowledge.

### Conference and Clinical Meetings:

- Providing continuing professional education for orthodontists through the European Aligner Congress which will evolve into an annual or bi-annual event.

# SPONSORSHIP OPPORTUNITIES

## CORPORATE SPONSORSHIP

EAS aims to work together with companies involved in aligner production and processes allied to aligner provision. EAS has a 4-tier Sponsorship programme which allows participating companies to improve their image within the orthodontic aligner community, while helping fund the aims of the EAS. Corporate sponsorship gives the participating companies a range of benefits while offering them the opportunity to influence, create leads, promote products or raise company profile through strong brand visibility and interaction with aligner clinicians.

# EXHIBITION ONLY PARTICIPATION

EAS understands that certain companies may not wish to engage in full-time continuing Corporate Sponsorship and that their engagement may be limited to the Congress. In this case, participation in the Congress Exhibition is welcomed and as with EAS Corporate Sponsors, the EAS congress gives the opportunity of meeting with aligners clinicians, face-to-face and to promote your products or services.

## 1 Pre-Congress Courses €1200 to Corporate Sponsors ONLY

Demonstrate your company's thought leadership in orthodontics to a captive and engaged audience.

- Opportunity to organise an Official pre-Congress Course for delegates in two repeated sessions of two hours each on Thursday afternoon of March 25<sup>th</sup> 2021. The 2<sup>nd</sup> sessions will allow as many delegates as possible to attend the courses.
- Includes: room rental and seating set up
- Permission to use the phrase: "EAS 3<sup>rd</sup> Congress Malta 2021"
- Pre-Congress Course information will be included in the 3<sup>rd</sup> Congress App (subject to receipt by publishing deadline)

Speakers will be invited by the Sponsor and communicated to EAS for registration. Travel costs and accommodation for speakers will be covered by the Sponsor. The EAS will include the delegate rate for the pre-Congress Courses within the overall Congress registration fees. The Company is responsible for marketing, inviting clients at their own cost to be reimbursed to EAS, setting their own agenda, organising AV (data video projection and screen) and arranging their own presentation equipment.

There will be up to 5 pre-Congress rooms seating from up to 50 and from 50 to 100 on offer, separated from one another. This will allow privacy but no microphones will be possible.

EAS understands that certain companies may not wish to engage in full-time continuing Corporate Sponsorship and that their engagement may be limited to the Congress. In this case, participation in the Congress Exhibition is welcomed and as with EAS Corporate Sponsors, the EAS congress gives the opportunity of meeting with aligners clinicians, face-to-face and to promote your products or services.

## **2 Workshops/Seminars**

Corporate Sponsors €900  
Exhibition only participation €1300

On Saturday morning, March 27<sup>th</sup>, there will opportunities to hold workshops/seminars for delegates registered to 3<sup>rd</sup> Congress. The duration of each seminar session will be 50 minutes so as to allow 3 repeated sessions between 09:00 and 12:00. This allows a 10 minute break between sessions for delegate change-over. Recruitment of delegates will take place through registration. The cost of workshops / seminars for delegates is included in the registration fee.

The workshops/Seminars will include standard AV (data video projector and screen) and catering during the breaks will be provided by EAS.

## **3 Congress bags**

€2500

Sponsor of the official EAS Congress bags will receive immediate brand visibility. The bags will be given to delegates upon arrival and your company logo will immediately be seen by all those attending the Congress and by those coming into contact with delegates.

## **4 Congress Lanyards**

€2250

Sponsor of the lanyards will receive continual brand visibility throughout the Congress. Lanyards will be branded with the company name and logo.

# THE EXHIBITION

The commercial/technical Exhibition will be held in the Spinola Suite of the Hilton Malta. The delegate breakout/lunch area will be in the Exhibition Hall to give exhibitors the maximum amount of time to engage with delegates.

EAS will be hosting a Welcome Reception in the Exhibition area on Thursday 25<sup>th</sup> March evening to which all the delegates and exhibitors are invited. This will last for 1.5 hours.

EAS will also host a Farewell Reception in the Exhibition area on Saturday 27<sup>th</sup> March evening to which all delegates and exhibitors are invited. This will last 1 hour and will conclude 3<sup>rd</sup> Congress.

The Exhibition Floor Plan is attached to the end of the Prospectus and will be posted online on the EAS website as it develops.

Until the FULL AND FINAL Exhibition floor plan, EAS would be pleased to receive bookings from companies who express an interest in securing their preferred exhibition spaces. All spaces will then be allocated as follows: Corporate Sponsors first depending on level, and exhibitor only participation based on the reservations received, on a first-come, first-served basis. The Exhibition layout will be updated regularly and will be available on the EAS 3<sup>rd</sup> Congress website.

Additional exhibitor badges can be available at €215 per person.

# SHELL

## SCHEME RENTAL

All stands spaces, apart from those companies choosing SPACE ONLY, are provided with a basic shell scheme as shown at the end of the Prospectus.

For those companies taking SPACE ONLY, the size and layout of any self-build has to be accommodated within the SPACE ONLY footprint.

Any additional furniture or equipment can be sourced from the Exhibition supplier – POWERHOUSE MANUFACTURING LTD., Malta.

POWERHOUSE's contact details and link will be provided in the Technical Manual to follow in December 2020.

## **ADDITIONAL BENEFITS**

When you exhibit your company will receive the following additional benefits:

- Logo on EAS Congress App
- Listing and profile as an Exhibitor on the EAS Congress App prior to the Congress with a link to your company website
- Email list of delegates

## **ALLOCATION OF EXHIBITION SPACE**

Apart from Corporate Sponsors, space allocation will be made on a “first come, first served” basis. A completed Exhibition Booking Form and Contract should be emailed to [office@eas-aligners.com](mailto:office@eas-aligners.com) to ensure reservation. Upon receipt of the Exhibition Booking Form and Contract, space reservation will be confirmed and an invoice will be mailed. Space allocations will be made in the order in which application forms with payment are received and conveyed to the Company as soon as all allocations are completed.

## **EXHIBITOR REGISTRATION**

All exhibitors are required to be registered and will receive a badge displaying the exhibitor and exhibiting company name. Exhibitor badges will be given in line with the space booked – see above. Any additional exhibitors will be charged an exhibitor registration fee of €215. Exhibitor registrations shall be used by company staff only.

# THE ACCOMODATION

EAS has negotiated advantageous room rates with Hilton Malta. This reduced price will have an expiry date of January 21<sup>st</sup> 2021.
